Today is **Pastor Appreciation Sunday**. Don't forget to share your thanks with Pastor Tully!

Harvest Home Collection Sunday, October 22; We have a long

standing tradition at Heller's of celebrating Harvest Home by collecting non-perishable foods for the CVCCS Harvest of Hope Food Bank. Many years ago the congregation would give from their harvest to their pastor, who would travel to different congregations in the area. Today we give our abundant blessings to CVCCS Harvest of Hope Food Bank. Please bring your food offerings in to the sanctuary that Sunday. During the service, we will celebrate the gathering in of the harvest by collecting the food and displaying in the front of the church. If you prefer, you may give cash or checks made payable to S.E.R.C.H. for Harvest Home. Any money put in your Harvest Home envelope will go to CVCCS Food Bank. CVCCS can use the cash to purchase food at a cheaper price than we can and can buy perishable foods as needed.

Your help is requested—Sunday, October 22 to prepare for the Holiday Bazaar on October 28. As you know, many hands make the work lighter for all! So we are asking you to help us after church on Sunday, Oct. 22, to move furniture around. It will not take very long. When we are finished, we will have a light lunch for all who helped. Please dress casually that day so you can help afterwards. We offer our very deepest gratitude of thanks!

✿ On Wednesday, Oct. 25, we again need your help. It is a sit-down job this time. We will cook off chicken in the morning and then need help to pick/clean cooked chicken at 12:30 p.m.

✿ On Friday, October 27, we need you to bring us donations of baked goods to sell on Saturday. You may drop them off between 2pm-7pm.

✿ We will need various helpers to do work at the bazaar on Saturday. We will have a sign up sheet at the Information Desk, requesting the hours you would be willing to help.

✿ We will again need a large amount of help to transfer the church back to normal at 3:00pm on Saturday, October 28. Again, many of us working together can get it done more quickly.

What an amazing offering we received for Church Project in Texas for their work in the community after Hurricane Harvey. We collected \$2350.00! Volunteers are buying and installing dry wall in many homes and helping pay for hotel bills while people are paying both rent and mortgage for homes that are currently uninhabitable. Thank you for helping!
